## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kristyne Bullock on 11/16/04.

The application has been amended as follows:

Claim 29 is cancelled.

Add new Claim 31:

31) (New) A sample solution treating instrument comprising a sample treating unit and a sample supply unit, wherein the sample treating unit contains an agent that converts a sample solution to a condition for analysis with a biosensor that electrochemically measures a specific component in the sample solution, the agent selected from the group consisting of a catalyst that converts a first interfering substance in the sample solution to a harmless substance having no adverse effect on a measurement result of the specific component obtained by analysis with the biosensor, an adsorbent that adsorbs and removes a second interfering substance from the sample solution, and a buffer agent that adjusts a pH of the sample solution to a pH range adequate for an activity of an enzyme in the biosensor, and the sample supply unit is made of an elastic material that retains the sample solution inside the sample supply unit, wherein the sample supply unit is located adjacent to the sample treating unit such that the sample solution passes

through the sample treating unit to the sample supply unit after treatment, but wherein the instrument is not physically coupled to a biosensor, wherein the first interfering substance and the second interfering substance may be the same or may be different.

***Allowable Subject Matter***

2. In view of applicant's amendments and the Examiner's Amendment above, claim 31, now renumbered as claim 1, is allowed.

3. For detailed reasons for allowance, applicant is directed to the previous office action mailed on 7/28/04. The statements in the office action of 7/28/04 indicating the reasons of allowance of claim 29 apply equally to new claim 31.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
